**POWER PLAZA, INC. SIGNS FIRST SALES REPRESENTATIVE AGREEMENT IN U.S.
WITH 1REP INC.**

Santa Ana, CA – August 28, 2009 – Power Plaza is pleased to announce the appointment of **1Rep Inc.** (www.1repinc.com) as its sales representative for southwestern United States. 1Rep now represents Power Plaza in Southern California with coverage in Orange County, South Bay LA, Inland Empire, and San Diego County.

Established in 2008, 1Rep is highly focused on building business relationships with a team of sales representatives that total over 50 years of experience in the electronics industry. 1Rep's experience is an excellent fit with Power Plaza.

In addition, 1Rep's personnel in the field will provide an increased level of support and convenience for customers in this important geographic area.

Power Plaza, a manufacturer of high-reliability and high-efficiency AC/DC and DC/DC converters, is adding resources to support the growing market in North American.

Steve Zuniga, Director of Sales and Marketing, said "We welcome 1Rep as a representative for Power Plaza and we are excited to add 1Rep to our sales network. Power Plaza representatives will continue to enhance the ability to locally support the needs of local design engineers and component buyers, as well as providing excellent customer service".

In related news, Power Plaza will be exhibiting in the upcoming "OCE" trade show being held at the Costa Mesa Fairgrounds from Sep 29-30, 2009. Interested parties are encouraged to visit the Power Plaza booth, #209.
