Power Plaza, Inc. and New Yorker Electronics, Inc. Sign Distribution Agreement

Santa Ana, CA – June 8, 2010 – Power Plaza Inc. today announced it has signed a distributor agreement with **New Yorker Electronics, Inc.**

We are pleased to have New Yorker Electronics representing the full line of Power Plaza AC/DC and DC/DC Converters designed for industrial, telecommunications, computing and other high-tech applications.

New Yorker provides an array of services throughout the United States as well as Europe, Asia, and South America.

"We are extremely anxious and delighted to begin our joint venture with New Yorker Electronics," said Melissa Hernandez, Sales Manager of Power Plaza.

About Power Plaza, Inc.

Established in 1993, Power Plaza Co., LTD has been a world leader in the delivery of innovative SMPS (Switch Mode Power Supplies) which includes a complete product range of AC/DC converters and DC/DC converters both designed for industrial, telecommunications, computing and other high-tech applications.
