**CONFIRMATION OF PARTICIPATION**

To whome it may concern,

This is to advise that the vehicle registered as Yebbuyana by the Korean Company PowerPlaza is an official participant in the 2010 ZERO RACE. The purpose of the ZERO RACE is to travel around the world in 80-days to raise awareness about future clean mobility, and it has no commercial mission or aspects whatsoever.

The Zero Race is a Swiss organisation, and its official partners include the United Nations Environment Programme (UNEP) and the Sustainable Energy Europe campaign initiative of the European Commission. It is also supported by a wide variety of other organisations.

The ZERO RACE involves a peaceful expedition around the world tour with 100% electric cars running on 100% renewable energies, and it will start officially at the Place des Nations, in Geneva Switzerland at the United Nations on August 16, 2010. The attached ZERO RACE FACT sheet provides a summary about the event's purpose and mission. It is essential that Yebbuyana arrives in advance before the starting date of the ZERO Race.

Members of the PowerPlaza company in South Korea are very important contributors to the success of the ZERO RACE, and very important people, including Ministers, City Mayors and others are waiting to see Yabbuyana and the people who developed it along the official route of the ZERO RACE.

The ZERO RACE will need the participation of Yebbuyana as well as members of the PowerPlaza company between August 15, 2010 and the end of January 2011. The vehicle, and all travelling PowerPlaza employees will return to South Korea following the completion of the Zero Race event.

I thank you sincerely for accepting the transportation of Yebbuyana to Switzerland to participate in the Zero Race, and if you need any more information, please do not hesitate to contact me directly on +41 79 343 88 01. If you require confirmation from the Sustainable Energy Europe Public Relations Person you may also phone Mr David Crous on +32 333 5954 or a representative of UNEP, Ms Mia Turner, on +254 710620495.

Sincerely Yours,
